

Louvers

Spare parts guide

Louvers

- Air inlet louvers are constructed of **fiberglass reinforced polyester** (FRP).
- **Maintenance free** wave-shape with minimum air resistance.
- **Prevent water splash-out** during fan cycling.

Hygiene and upgrade tip !

Replace your traditional inlet louvers with the new standard combined inlets shields to benefit from **improved hygiene** and **reduced maintenance**.

Want to replace the louvers of your cooling equipment? Contact your [local BAC representative](#).
