

Platforms

Closed circuit cooling towers

Options and accessories

Platforms

Platforms facilitate **easier** and **safer access** to the **top level** of the unit, making inspection and maintenance easier and conforming to European safety standards.

Installed platforms

- help you comply with local safety regulations
- · prevent accidental risks during inspection and maintenance of your closed circuit cooler
- · facilitate the inspection and maintenance of your closed circuit cooler

Keen to install platforms on your closed circuit cooler? Contact your <u>local BAC representative</u> for more detailed cooler platform specifications.
